In addition to the explicitly excluded games, that range also covers all the games taking part in any tournament at the moment the wageing takes place. The Casino reserves the right to impose restrictions concerning any possible participation in individual bonuses. All the relevant information can be found on the individual bonus cards in the "Bonuses and Gifts" section.
However, please note that this list may be subject to change from time to time. To find out the most recent list of games, please contact Customer Support at support-en@22casino.com
7. The Customer is authorized to request for withdrawal before his/her bonus becomes redeemed. At the same time, in this case, both the bonus amount and the winnings received while redeeming this bonus are subject to cancellation.
8. Any winning obtained with bonus funds and requested to be withdrawn will be checked and verified by the Casino. It is only after that when such payments can be processed. In some cases, that are conditional to the results of a verification process, the Casino has the full right to and will request personal data from the Customer and additional details to confirm his/her payment methods.

CANCELLATION OF BONUSES

1. The Customer has the full right to give up all the bonuses or any single bonus promotion. It can be done via contacting the Casino's Customer Support at support-en@22casino.com, through an online chat, or by taking the necessary measures in their Personal Accounts.
2. If the Customer rejects or wishes to cancel a bonus, the corresponding bonus balance will become 0 (zero). As a result, the Customer is no loner required to meet wagering requirements.
3. The Customer has the right to stop continuing to meet bonus wagering requirements. It can be done in the Customer's Account. It should be noted that if a bonus is declined after being partially redeemed, any winnings made while redeeming such a bonus are subject to cancellation.

ABUSE OF BONUSES

1. The Customer is strictly prohibited from abusing bonuses. As for the definition of “abuse” in this context, the following ratios of bonuses received, in their relation to deposits, are defined as abuse. 70% bonus funds obtained on between 5 and 9 deposits; 50% bonus funds obtained on 10 or more deposits. If any kind of abuse takes place, the Casino has the full right to ban the Customer from obtaining any bonuses. It can also annul any winnings received with bonus funds both in the course of wagering and after it ends.
2. The Casino is always fully authorized to examine and scrutinize transaction histories and the Customer's accounts and logs at any moment and for any reason. If such checks detect any kind of bonus misuse done by the Customer, the Casino reserves the full right to nullify the bonuses provided by the Customer.
3. If the Casino detects that the Customer resorts to the gaming strategies prohibited by the Casino when redeeming a bonus, the Casino reserve the right to take penalty measures and exclude the Customer from both currently available promotions and all the future ones.
4. The following are some of the examples of possible strategies viewed as prohibited by the Casino when it comes to clearing bonuses' wagering requirements:
 - Placing high volume of bets without any serious impact on the Customer's balance. This strategy can be exemplified by placing bets on every roulette number or placing bets on red and black simultaneously.
 - Placing big bets (i.e. those exceeding €5 (five euros)) with the goal to increase the Customer's bonus balance quickly and then seriously reducing the volume of stakes made (i.e. over twofold) for no clear reason while having an appropriate account balance. Each of the aforementioned cases will be thoroughly examined by the Casino.
 - Betting big in those games that presuppose a low contribution (i.e. stake percentage that counts towards the requirements related to wagering) and then betting small in those games that presuppose a larger contribution
 - Postponing any game round, concerning bonuses and freespins, to a later moment while facing no wagering requirements and/or imposed limits on making new deposits, with freespins and bonuses being still available
 - Any combinations of the aforementioned gaming techniques and strategies.
5. Whenever any case of bonus abuse committed by the Customer is revealed and identified, the Casino has the full right to take the following measures: canceling and nullifying all available bonuses together with winnings generated from those bonuses as well as blocking the Customer's account completely.
6. The Casino recommends the Customer to enter his/her real phone number while registering: the Casino may use it later to confirm the Customer's true identity. In case it turns out to be impossible to contact the Customer, the Casino has the full right to restrict the Customer's use of bonuses and even totally block his/her personal account.

WELCOME PACKAGES FOR CUSTOMERS

4. The ceiling for the 1st Deposit Bonus to be claimed is equal to €300 (three hundred euros); for the 2nd Deposit Bonus it is €350 (three hundred and fifty euros); for the third Deposit Bonus it is €400 (four hundred euros); as for the 4th Deposit Bonus, it is €450 (four hundred and fifty euros).
5. All deposit bonuses are to be redeemed by wagering the bonus amount 35 (thirty-five) times.
6. Any activated bonus is subject to being redeemed within 7 (seven) days.

8. Winnings gained from freespins will be credited to the main account. Hence, it is not necessary to redeem them.
9. Until the bonus is redeemed, stakes are not allowed to exceed €5 (five euros).
10. In case the Customer switches between different types of bonuses (although he/she has already made a choices), drop them, or get an opposite sort of bonus, such users cease to be entitled to take part in the Casino's bonus offers covering their subsequent deposits. This rule fully applies to welcome packages as well as to a 50% 10th deposit bonus.

TENTH DEPOSIT WITH THE 50% BONUS ON IT

1. In case the Customer switches between different types of bonuses (although he/she has already made a choices), drop them, or get an opposite sort of bonus, such users cease to be entitled to take part in the Casino's bonus offers covering their subsequent deposits. This rule fully applies to welcome packages as well as to a 50% 10th deposit bonus.
2. Bonuses are subject to automatic activation as well as to being credited to the Customer's account within 1 (one) day or 24 (twenty-four) hours since the moment all the requirements related to the bonus offer (described in paragraph 27.1) have been satisfied.
3. Being eligible for receiving a bonus on the 10th Deposit requires the Customer to add a deposit of at least €10 (ten euros).
4. When it comes to the maximum bonus amount that the Customer can possibly claim, it is €300 (three hundred euros).
5. The bonus is subject to being redeemed by wagering the bonus amount 35 (thirty-five) times.
6. As for the time limits, any activated bonus is subject to being mandatory redeemed within 2 (two) days, or 48 (forty-eight) hours.
7. The number of available freespins is defined on the basis of the Customer's balance account at the moment of time he/she makes the deposit. The Customer receives 1 (one) freespins per every €5 (five euros) of their main account balances. It is noteworthy that the deposit itself is not taken into consideration while calculating the number of freespins to be granted. Freespins are granted within 15 (fifteen) minutes after the deposit is made (to actually get freespins, the Customer must simultaneously meet all requirements of the Casino's bonus offer in their entirety).
8. As for the winnings gained from the Customers' freespins, they will be credited to the main account. Hence, it is not necessary to redeem them.
9. Until the bonus is redeemed, stakes are not allowed to exceed €5 (five euros).

GIFTS

1. A gift must be understood as a special sort of bonus. As such, it requires no deposit and is exclusively available to those Customers who agree to take part in the bonus offers made available by the Casino.
2. At the same time, some special Terms of Service may be applied to such gifts. That is why the Casino urges the Customer to carefully examine those Terms of Service before activating available gifts (such Terms of Service may describe bonus amounts, requirements related to wagering, etc.). The Customer should visit the corresponding section of "My Account" to read those Terms of Service so that complete information regarding gifts can be obtained and avoid

any possible misconceptions, miscommunications, and misunderstandings.

3. At any moment of time, only one single gift per one gaming account is allowed to be active. Hence, gifts are not subject to accumulation. Consequently, gifts can only be used on the basis of the so-called "queuing principle". That is to say, every next gift becomes available only after the preceding one becomes redeemed. Alternatively, the preceding gift may also be either canceled or suspended during wagering.
4. Any gift, together with any winnings obtained using it, will be lost once this gift has expired. If the Customer wants to be sure about the applicable validity periods, he/she should visit the 'My Account' page (which can be found under the "Bonuses and Gifts" website section). Any gift becomes active starting exactly from the moment it is awarded to a Customer. Please note that suspending the wagering bonus will not extend the validity period of a gift offer made available.
5. Even while having an activated gift, the Customer has the right to place his/her bets with the funds available with their main accounts.
6. All the Casino's Terms of Service in their entirety, including all the other Terms of Service of the Casino's bonus policy always apply as long as they do not contradict the aforementioned stipulations.

5.2. Stop list of wagering games

In order to redeem winnings from a bonus, players are subject to wagering the amount won depending on the terms of every individual bonus. Players can wager the winnings in various video slot games with a list of exceptions. The following list includes games to which the wagering norms do not apply.

5.3. Errors Or Omissions

1. If both the software and hardware used by the Casino start to malfunction, the Casino will resort to reasonable measures to solve the problem and address its consequences as soon as possible. If problems of this sort interrupt any game to the extent that the Customer cannot restart the game from precisely the very moment it has been interrupted without incurring irreversible data losses, the Casino will pursue the most adequate, reasonable, and just policies to handle such a situation.
2. If, as an outcome of a technical error, any funds are added to the Customer's account and he/she places bets with such funds or somehow participates in the games made available by the Casino with such funds, the Casino reserves the full right to nullify and cancel such bets. the Casino is also authorized to withhold any winnings stemming from such funds. When the Casino pays winnings received as an outcome of such bets or games, the Casino has the full right to request the Customer to have them returned.
3. Whenever the Customer accesses services provided via the Internet, he/she shall fully understand that:
 - It is always possible that the Customer may face system issues, service malfunctions, defects, or errors of any other sort. If the Customer faces any technical issues, should reach out to the Casino's Support Service via e-mail support-en@22casino.com;
 - As for the Customer's success in promotions which are carried out at speed, it is directly related to and dependent on the equipment used by the Customer and the quality of his/her connection to the Internet;
 - All the rules, with no exception, related to any game and promotion are constantly available. At any moment, the Customer can review and revisit them. the Casino urges the Customer to read them attentively and thoroughly before they begin to play the games and use the Services made available by the Casino.
4. In case the Customer places a bet related to a live event, this Customer might not be in the right position or location to see or otherwise receive the latest information regarding this event within a relevant space of time. the Casino cannot be held liable for any losses and shall not be expected to compensate for any losses incurred as an outcome of a delay related to the transmission of digital data covering such events.
5. By starting to play any game made available by the Casino, the Customer assumes full and sole personal responsibility for the speed and quality of his/her connection to the Internet as well as for the technical condition and efficiency of the equipment used to get access to the internet. the Casino explicitly rejects any liabilities for any losses the Customer incurs (as an outcome of service issues, poor connection, weak signals, loss of service, or otherwise) because of their internet service providers or telecom providers.

5.4. Force Majeure Events

1. The Casino cannot be held liable or anyhow responsible for any failure to perform or for delaying to perform any of its functions and obligations, stipulated by these Terms of Service, if such a situation arises from any events taking beyond reasonable and exercisable control. These events include, without limitation, any technical issues and interruptions concerning the telecom networks the Casino and the Customer depend on; issues with electricity supply; issues with PCs, smartphones, tablets, or any other gadgets that belong to any third parties; fires, lightning, and storms; explosions; floods, extreme snowfalls, and other extreme weather conditions; strikes, riots, blockages, mutinies, civil unrests, military actions, or any relevant acts of sovereign governing bodies or other competent authorities (i.e. "Acts of God" or "Force Majeure").
2. If a Force Majeure period starts and an Act of God takes place, the Casino's functions are automatically viewed as entirely suspended for the entire duration of this period. As for the

Casino, it will attempt to use any endeavors, within a reasonable framework, to effectively deal with the consequences of such Force Majeure events. The Casino will also attempt to identify a way by which the obligations may be fulfilled in spite of the Force Majeure event and its practical consequences.

3. The Casino so affected shall be relieved of liability to the Customer for a failure to perform or for delay in performing its obligations, but will use all reasonable endeavors to resume full performance thereof. The Casino is not obliged to notify the Client about the occurrence of Force Majeure circumstances, but posting on the Casino website about the occurrence of these circumstances will be considered sufficient to notify the Client.

6. FAIRNESS & RNG TESTING METHODS

Online gambling should be fair. And while this requires players to behave honestly and without malicious intent, it is the responsibility of casinos to take all necessary measures to ensure that players can enjoy the game in fair and safe conditions.

6.1. DEFINITION OF FAIR CASINOS

A “fair casino” is an online casino that:

- pays out all legitimate winnings;
- does not include unfair terms in its Terms of Service;
- does not resort to deceptive practices to cheat players;
- prevents access from restricted countries (does not allow players from certain countries to create an account or play) and only grants bonuses to those players who can use them.

Even casinos with fair rules and a good approach to gambling can engage in dubious practices for players. In some cases, players may ignore certain rules and inadvertently break them, even though the rules are fair in opinion. That is why casinos should ensure compliance with all rules using technological means to prevent players from unintentionally getting into trouble.

6.2. DEFINITION OF FAIR AND SAFE CASINOS

Fair and safe casinos like 22Casino.com are those that meet all the criteria of “fair and safe casinos” and have also implemented measures that prevent players from accidentally breaking the rules or doing something that harms their own interests.

Therefore, “fair and safe casinos” should prevent players from violating the general Terms of Service, bonus Terms of Service, or any other rules that could jeopardize the money they have in their account. In particular, “fair and safe” casinos should:

- ensure compliance with maximum bet amount limitations, restricted games, and other bonus conditions;
- warn players that they are about to do something that could be detrimental to them (such as accepting a bonus that could void the winnings of the previous bonus);
- check for multiple accounts when creating an account (we suggest checking the database for a combination of the new player’s name and date of birth and displaying a warning if any results are found; we will discuss this in more detail below).

Fair casinos like 22Casino.com works only with trusted software providers in the field of gambling.

Except for LIVE casino games, to ensure the integrity of our casino games, a Random Number Generator (RNG) is always used to determine the random outcome of such games.

This is a standard industry system that ensures consistently random results which have also been extensively tested by running and analyzing thousands of game rounds. The randomness of the RNG provides a credible and fair gaming environment.

We cooperate with gambling regulatory authorities and online gambling licensing organizations with

the intent of ensuring our compliance with the legislation of relevant jurisdictions.
